# FTC Decision and Order Assessment Support Services

In today's evolving threat landscape, protecting digital information is a priority – and in some cases, a requirement. Complying with industry and government security requirements, though, can be complicated as your technology footprint moves beyond your corporate walls. You need a partner that understands your security obligations and can help you fulfill them.

Tevora IS that partner. Our consultants have the extensive security knowledge and experience needed to **assess** your compliance readiness; **implement** the appropriate security controls, policies, and processes; **attest** to your adherence to the defined requirements; and **transform** your compliance requirements into a competitive advantage.▲

Compliance with FTC decision and order requirements requires an independent examination and evaluation of a company's in-place security program and controls. Tevora's partnership approach provides the solution needed to meet your long-term FTC assessment requirements.

## About Us

Founded in 2003, Tevora is a specialized management consultancy focused on cybersecurity, risk, and compliance services. Based in Lake Forest, CA, our experienced consultants are devoted to supporting the CISO in protecting their organization's digital assets. We make it our responsibility to ensure the CISO has the tools and guidance they need to build their departments, so they can prevent and respond to daily threats.

Our expert advisors take the time to learn about each organization's unique pressures and challenges, so we can help identify and execute the best solutions for each case. We take a hands-on approach to each new partnership, and –year after year –apply our cumulative learnings to continually strengthen the company's digital defenses.

Go forward.  
We've got your back.
